Psakoudia

Is the heaven of Ormilia and its settlement gathers the largest part of the tourism and development in the area. It is built south west in the broader area next to the sea and on the main road Thessaloniki - Sithonia. It is a summer, holiday settlement, at a seashore area extremely beautiful and easy to get to. It has 120 permanent residents with tourism being their main occupation, where as during summer the population rises to over 4000 residents.
