Olympiada

On the north east section of Halkidiki, on the Strimonikos gulf is Olympiada. Its distance from Thessaloniki is 95km (through Stavros). Olympiada was built in 1924, after the uprooting in 1922, by refugees who arrived here from Agia Kyriaki in Asia Minor. Historians say, the area is the jost significant in Halkidiki, it is where ancient Stagira is, at a distance of 700m, in the position
